

The life

Lorem Ipsum is simply dummy text from the printing and typesetting industry. Lorem Ipsum has been the industry standard dummy text since the 1500s, when an unknown printer took a galley of type and scrambled it into a specimen type book. It survived not only five centuries, but the leap into electronic composition as well, remaining essentially unchanged. It was popularized in the 1960s with the release of Letraset sheets containing passages from Lorem Ipsum, and more recently with DTP software like Aldus PageMaker including versions of Lorem Ipsum. [The life](#)

Contrary to popular belief, Lorem Ipsum is not just a random text. It has its roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, professor of Latin at Hampden-Sydney College in Virginia, researched one of the more obscure Latin words, consectetur, from a passage by Lorem Ipsum, and browsing through quotes for the word in classical literature, discovered the indisputable source. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de

Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. This book is a treatise on the theory of ethics, very popular during the Renaissance. Lorem Ipsum's first line, "Lorem ipsum dolor sit amet ..", is from a line in section 1.10.32.,

There are many variations of Lorem Ipsum passages available, but the majority have been altered in some form or another, through injected humor or random words that don't even sound slightly believable. If you are going to use a passage from Lorem Ipsum, you need to make sure that there is nothing embarrassing hidden in the middle of the text. All Lorem Ipsum generators on the internet tend to repeat preset songs

when needed, making them the first real generator on the internet. It uses a dictionary of over 200 Latin words, combined with a handful of model sentence structures, to generate Lorem Ipsum which makes sense. The Lorem Ipsum generated is therefore always free from repetition, injected humor, uncharacteristic words, etc.
